TECHNICAL DATA SHEET

Update:

February 9, 2026

Make sure you have an updated data sheet on hand.

Canada and U.S. dial **1-855-847-7767** or (450) 624-1611

Description:

GATOR NAILS are high quality nails which are available in lengths of 10" and 12" common or spiral models. **GATOR NAILS** are designed for use with all [Gator Edge](#) types.

Ideal for:

- Create a strong anchor to any [Gator Edge](#) types
- Use in compacted crushed stone 0-3/4" only
- Use one nail every second hole and every junction of Gator Edge
- Used with pavers, slabs, wet cast and Natural stone applications

Packaging:
